To whom it may concern,

It is with much enthusiasm that I am writing to recommend the services of Gina & Partners (NZ) Ltd, trading as G&P Interns.

Gina & Partners placed four Japanese interns with Mercure Queenstown Resort in July 2023. The company ensured a smooth transition of the interns into the work place through their exceptional professional service and the outstanding level of care and support that they provide to the interns.

The Japanese interns are wonderful! They are very hard working, quick learners and excellent team players, who quickly became an integrate part of our team. Their English language capability has improved greatly since commencing employment and it has been a pleasure seeing them become more confident when communicating and engaging with the rest of the team.

I am happy to recommend the Service of G&P Interns. If you have any questions, please feel free to contact me.

Yours sincerely,
Maryke Peet
